

MOUNT VERNON HIGH SCHOOL

Kathryn Baron, High School Counselor

February 01, 2018

Dear Parents,

On February 16th, 9th through 11th grade students will meet as grade levels to begin the course selection process for next school year. An administrator and department classroom teachers will provide general information about course selection options for the 2018-2019 school year.

Each student will be given a grade-level course selection form and asked to take it home to share with you. **Your signature is required on the completed form.** The 2018-2019 Course Description booklet will be made available to students, and once updated, will be available on the district website, www.mountvernon.k12.ia.us.

Parent participation is vital to this process so we want to give you the same information that will be shared with your child. You are invited, with your child, to attend the 2018 Registration Fair on **Thursday, February 22, from 4:00-8:00 p.m.** in the High School Commons.

With your help, we want to encourage students to choose courses that match their abilities and interests. Our classroom teachers will be available in the Commons to answer questions and offer advice.

If you are unable to attend and would like more information, please contact me at the high school. My office phone number is 895-8843, ext. 4119 and my email is kbaron@mvcsd.org.

Hope to see everyone there!

Sincerely,

Kathryn Baron, School Counselor
